Board of Selectmen, Town of Hart's Location, NH

2013 Board of Selectmen Report

2013 was quieter than recent years for the town and the Board of Selectmen.

Phil St. Hilaire was appointed in March to fill the selectmen's seat vacated by Jon Goodreau. Phil also replaced Mark Dindorf as the selectmen's representative to the planning board.

The budget this year includes an increase in Town Officer's Stipends. It includes a new, tiered stipend scale for the Board of Selectmen and the Treasurer, based on number of terms served. First term Selectmen and/or Treasurer shall receive \$500 annually. Second Term Selectmen and/or Treasurer shall receive \$750 annually. Third term or more Selectmen and/or Treasurer shall receive \$1000 annually. The Chair of the Board of Selectmen shall receive \$1500 annually. Other adjustments include an increase in the Moderator's stipend to an annual \$100, and the Fire Warden's stipend to an annual \$100. Town Clerk/Tax Collector @ \$15 per hour, not to exceed \$3000 (includes funds for a deputy in training). These increases reflect the benefit to the town of retaining experienced town officers, and their commitment of time and expertise in conducting the business of the town.

Other Town Business

The planning board was convened in the spring to review boundary adjustments and subdivision proposed by Carroll & Nancy Hayes.

The zoning board of adjustment was convened in October to consider a variance to setback requirements by Daniel & Krista Thorton. Variance was granted and building permit subsequently approved.

Michelle Goodreau, Town Clerk & Tax Collector, has decided that she will not run for re-election in 2015. Michelle has suggested that anyone interested in becoming Town Clerk & Tax Collector shadow her once a month during the coming year to learn the responsibilities of the job. Funds to pay for a deputy clerk / tax collector in training are incorporated into the Town Officer's Stipends line in the budget. Please contact Michelle if interested.

Michelle keeps office hours as Town Clerk/Tax Collector on Mondays from 5pm to 6:30pm. She can be contacted during these hours by phone at 603 374-6397 or email: hartslocationtc@gmail.com.

As always, we encourage each of you to participate in some way to help run your town. Please contact Mark Dindorf or Michelle Goodreau if you are willing and able to do so.

Respectfully submitted,
Mark Dindorf, Chairman, Board of Selectmen

Question re: financial administration. Explanation: Information located in Town Report

Cost of management of town - details excellent

Consider cost of possible audit for berm project

Added extra for office supplies might want to bump that number up due to equipment failure and need for replacement.

Is there enough in financial admin budget to cover expenses?

Mark comfortable that there is. If overspent, other underspent line items will balance out

Figure will need to be amended to be more accurate

Nancy Hayes suggested raising budget for solid waste disposal, cost has gone up

Suggest raising lines for financial administration and solid waste disposal

Move to amend article to raise \$500 to each line \$1000 total

All in Favor of amendment

Original question with increase

Approved unanimously

Article 3 – \$3000 addition to town revaluation capital reserve fund

Motion to accept, Richard; seconded by Jon

5 year contract with Assessing Firm, no line item in budget. Comes out of revaluation capital reserve fund. Fund is \$3000 short for current assessing cycle. Appropriate now or wait until later. Zero outs the reval account at end of current cycle. After 2014, selectmen will budget approximately \$1800 per year for assessment services, rather than draw from capital reserve fund.

All in favor

Article 4 – Any additional business...

Berm project recap – financial challenges but project is complete and successful. Will benefit all town in the long run. The National Forest, State and Federal agencies all involved. Cash flow issue solved with everyone's willingness to take it on. Richard was key player in keeping the project moving and identifying potential issues, working process through. Thanks to Richard for working on behalf of town.

And tax rate went down.

Unreserved fund balance now in line with State parameters – previously too large.

Reminder that people should license their dogs annually with the town clerk

Correction in town report for the Town Clerk Report page 11. Number for motor vehicles \$6835.20.

Page 6 Treasurer's report: mistake in foot notes - * should be Jan 2013 refund.

Reminder to property owners: Assessor needs to be accurate so please allow him to measure and gather data during field inspections and visits. This is part of the cyclical assessment process required by the state.

Question: Should building permits be required for interior renovation? As long as the footprint doesn't change - not necessary. Selectman are responsible for making sure code is followed, and assessors will pick up on valuation changes during field inspections

Motion to adjourn - Jon Goodreau, seconded by Ed Butler.

5:45pm meeting adjourned
